RE: Increase in Import CFS Window Fees and Ramp Loading Fee.

IMPORT CFS WINDOW FEE:

Effective January 1st, 2023, our **IMPORT WINDOW FEE** will increase to \$55.00 per AMS Number. Charges need to be paid or guaranteed prior to release.

RAMP LOADING FEE:

Effective January 1st, 2023, our **RAMP LOADING FEE** will increase to \$50.00 for 1-3 pallets / Add \$10.00 per pallet for each thereafter.

We regret that we must initiate the above increases but are very confident that our fees remain below other CFS locations in our area.

We appreciate your understanding in this matter, if you have any questions, please do not hesitate to reach out,

Most Respectfully,

Joseph Calabria
President
